

NATIONAL SCHOOL COUNSELING WEEK

The week of February 6-10 is National School Counseling Week. Utah Counselors help parents focus on ways to further the educational, personal, and social growth of their children. Comprehensive Guidance Curriculum is an integral part of the educational process that enables all students to achieve success in school. We have the opportunity to show our appreciation to the school counselors for their dedication and hard work. A celebration need not be time consuming or costly. Here are some ideas:

- A personal note of appreciation
- A word to their district supervisor or building principal
- Counselor names that week on the marquee
- A thank you in the PTA newsletter
- A student writing assignment
- A high Five!
