## ***UTAH PTA ARTS EDUCATION GRANT FUND***

Utah PTA announces that funds have been received to give grants up to \$500 for art programs in Utah schools sponsored by individual PTA units. These funds will match funds that local school PTAs provide for enhancing art programs for elementary and secondary students.

Applications for these funds may be obtained from your region director or on the Utah PTA website. Applications must be received at the Utah PTA office by March 1. Applications will be reviewed and awards announced at our Utah PTA Training Convention in May, with monies being distributed the following July 1.

We welcome contributions to our fund, which is available to all schools in Utah.
