Dear Secondary Presidents,

As your Utah PTA Student Involvement Commissioner I have set a goal of training 200 students during the most exciting Student Leadership Camp Utah PTA has ever offered in conjunction with our Leadership Convention at BYU May 17-18. This training is open to every secondary student, not just those on your student board. Students on the PTSA Board should get an excused absence. Those needing to make up citizenship grades should arraign with the school to except this conference as credit. We are sure to have an enlightening experience as we learn to “Light the Way” in our schools and communities.

Thursday May 17 4:00p.m.-4:45p.m. check in and onsite registration for Utah PTSA Youth Leadership Camp.
Cost \$30.00 includes dinner Thursday night and lunch Friday. Please call or e-mail Debi Tabor by 1:00p.m. Tuesday May 8th 801-230-3083/Debi@TaborEngineering.com so food can be ordered. The office will accept **STUDENT REGISTRATION ONLY** until Friday May 4th.

Camp John of the Soar Foundation, TEEN IMPACT, and the Army National Guard will kick off this two day youth leadership camp helping us focus on awakening each participant to the importance of leadership skills, the need for kindness in our lives, the importance of sharing life’s challenges and the importance of “Doing what you say you will do”.

May 18

9:00-10:30 General meeting in the Ballroom

11:00 Anna Weselak National PTA President will take a few minutes to talk with the students before we get into the days activities of class room fun and outdoor adventure. We will have lunch inside before we head out doors until 2:45 to test our skills of leadership as we climb a 25’ rock wall, traverse a ropes coarse and play on inflatables provided by Utah Events Services, meet new friends from around the state, eat some more, and overall have a great time. We will learn to step it up and lead as we are given a simple intellectual and physical challenge. And get out of ourselves and learn to solve problems as a team.

3:00-4:15 we will move back inside for Rachel’s Challenge, one of the Terrific Trio classes. Rachel’s Challenge is the story of Rachel Scott the first victim in the Columbine shooting and a challenge to rise with character through out life’s challenges.

Thank you Camp John of the soar Foundation, TEEN IMPACT, Army National Guard, Utah Events Services, and Rachel’s Challenge for helping us “discover our potential as a leader or giftedness to lead people who don’t have to follow”. “A leader’s domain is the future and what you do with that future means the difference between leaving a track record and leaving a legacy” (Taken from www.campjohn.org)

Looking forward to being with your students,

Debi Tabor
