

GRID IS COMING TO UTAH!

Watch the world's most elite male and female athletes race together in GRID. GRID is the **world's first** professional spectator sport with **two co-ed teams racing head-to-head** in a two-hour match. It incorporates speed, skill and strategy in a test of endurance through a variety of weightlifting and body-weight elements. Each two-hour match features two 14-person teams (7 women, 7 men) going head-to-head in 11 races.

What: **National Pro Grid League Season/Championship**
