Utah PTA eCommerce Policies

**Definition**- Spending Cards are prefunded and have limited funds available and time allowed to be spent. They are linked directly to your PTA/PTSA checking account.

**NO DEBIT or CREDIT CARDS ALLOWED.**

PTA units may adopt the use of online banking systems by Board decisions including, but not limited to, online banking with their primary banking provider, and/or online accounting tools such as QuickBooks.

The following are requirements that are consistent with non-profit laws and best practices. Also, check with your Insurance Company which holds your local PTA unit policy to assure compliance.

- PTAs must have a bank account.
- Online accounts can only be opened and managed by the Executive Officers (President, Vice President, Secretary, and Treasurer)
- PTA accounts cannot link to any individual accounts.

**Online Statement Review**

Banking and Prefunded Spending Card statements may be reviewed online. A non-signer must review a copy of the statement to be signed, either on paper or electronically, and given to the Treasurer. *Most insurance companies require this step in order to be eligible for any possible fraud claims.

**Use of Prefunded Spending Cards**

- Cards are issued to the PTA unit and the name of the user.
- Prior to use of the Prefunded Spending Card, a budget for the funds must be approved by the membership. Following the purchase, the itemized receipt should be given to the Treasurer and attached to the Prefunded Spending Card Form.
  - Prefunded Spending Cards are not to be used for recurring payments or fund transfers.
  - No cash transactions will be allowed (ATM, cash back, etc.)
  - If card is lost or stolen, the account must be reconciled.

**Online Account Access**

The password for online accounts must be changed at least once a year when there is a change in signer or when there is a financial reconciliation.

The PTA needs to determine who has online access to the account. The Treasurer and President should have full access, and if possible, the additional authorized signers and a designated non-signer bank statement reviewer should have read-only access.
