Intro to Reflections

Presenter: Rebekah Pitts

Utah PTA Reflections Board Specialist

What is Reflections?

National PTA Reflections welcomes, free of charge, students from all grades and abilities to explore and be involved in the arts. Annually, thousands of students will reflect on a common theme and create original works of art in the categories of Dance Choreography, Film Production, Literature, Music Composition, Photography, 2D Visual Arts, and 3D Visual Arts. Entries are scored by volunteer judges with 40% of points awarded for Interpretation of Theme, 30% awarded for creativity, and 30% for mastery of skill.

PTA volunteers run the Reflections program at local (school), council, region, and state levels. Utah receives roughly 15,000 entries each year. Around 300,000 entries are submitted nationwide.

Levels of Reflections

LOCAL

The Reflections program starts at the school level. Students compete against other students from their school.

Each school advances their top winners, called Awards of Excellence, to the next level, either council or region.

COUNCIL

2nd level for most regions. Many schools compete against each other at the council level. Award of Excellence winners are advanced to the region level.

You can run Reflections on more than one level. Regions are often in need of help at the council level.

Levels of Reflections

REGION

Depending on your area, your region might have the same boundaries as your school district, or it might comprise multiple school districts. Regions are identified by numbers. Ex: Those living in Granite School District are in region 5. Each region has a director that represents them on the state PTA board.

STATE

Utah is divided into 21 regions. In 2023-2024, 17 regions participated in Reflections, with 16,212 entries statewide. The state advances 30 entries to the national level of competition, one per category/division. Around 170 entries are awarded at the state level.

What Are the Different Divisions?

- Primary Division - Pre-K through 2nd Grade
- Intermediate Division - 3rd-5th Grade
- Middle School Division - 6th-8th Grade
- High School Division - 9th-12th Grade
- Accessible Arts Division - is an option for students with disabilities who may receive services under IDEA or ADA

A Song Worth Sharing

Bryce Christiansen

The musical score is written for piano in 4/4 time with a key signature of two flats (B-flat and E-flat). It consists of five systems of music, each with a treble and bass clef staff. The first system begins with a piano (*p*) dynamic and includes a first ending bracket. The second system features a complex bass line with sixteenth-note patterns. The third system includes a mezzo-forte (*mf*) dynamic and a *rit* (ritardando) marking. The fourth system continues with the *mf* dynamic. The fifth system concludes the piece with a mezzo-forte (*mp*) dynamic.

Become a Specialist in URO

- Reflections is managed online via Utah Reflections Online. To manage your school, you will need to designate at least one person to be your school's specialist.
- Specialist access should be set up by the level above you, but can also be set by the previous specialist(s) for your school. If you are having trouble finding out who your specialist is for the next level, email reflections@utahpta.org and include your school name.

Become a Specialist in URO

- When you are set as a specialist, if you do not already have a Utah PTA account, you will receive an email instructing you to create a password. You will then have access to log into Utah Reflections Online at www.utahpta.org/ref. If you already have an account, you will not receive an email.
- **Why would you already have an account?** If you have registered for convention, other events through Whova, an online training, or other Utah PTA programs or if you have judged Reflections, you likely already have a Utah PTA account. Since you are here, you should have an account already.

Become a Specialist in URO

- Once you log into the system, click on the red “Go to Reflections Admin” button. This is where you manage your unit, entries, and judging. Before you launch your program, delete any specialists who are no longer involved in Reflections. To do this, click on the “Specialists” tab. You will see a list of people who are specialists for your school. To remove someone, click on the red “Remove” button to the right of their name.
- Trainings for Utah Reflections Online can be found at www.utahpta.org/ref under the “Info for Reflections Specialists” button.

Eligibility and Registration

- Who is eligible to participate in Reflections? PTAs must be in good standing with the Utah PTA to offer Reflections. You can see this online now.
- Reflections is a program offered to students who are enrolled in a PTA school in good standing, as determined by Utah PTA. If you are unsure whether your PTA is in good standing, talk with your PTA President or Region Director.

Eligibility and Registration

The following additional guideline applies to students' entries:

- For secondary schools (middle, junior, and high schools), the students must be enrolled in a class that offers credit in order to qualify to participate in Reflections.
- For elementary schools, the students must be enrolled for one class offered during school hours to qualify to participate.
- For students who are enrolled in an online school, that school must have a PTA in good standing to manage the program.
- Students may only enter through the school in which they are enrolled.

Eligibility and Registration

To Register with National PTA

Go to www.pta.org/reflections before November 1, 2024.

Click on “Register with National PTA”

You will need to enter your school name, address, 8-digit PTA ID number and bylaws expiration date (ask your PTA president), contact person, email, and phone number.

For the contact person and phone number, use the Reflections Specialist’s information and not the school’s. You will see a confirmation screen, but will not receive a confirmation email.

Registering with National PTA will not make you a Specialist for your school in Utah Reflections Online. They are two separate processes.

Organize and Plan

1. Recruit help.
2. Join the Utah PTA Reflections Facebook Group
3. Visit www.utahpta.org.ref for all Reflections Resources.
4. Find Judges.
5. Choose and set an entry deadline.

Qualify Entries

- Was entry uploaded through parent account? If parent and student have same name, check to make sure that is accurate.
- Was entry uploaded through student account? Check for Permission form. A Permission form is needed if a student uploaded their entry through a student account instead of their parent or guardian's account.
- Ensure the details section is filled out, if applicable.
- Entries in the categories of Film Production, Dance Choreography, and Music Composition must not exceed 5 minutes.
- Using the rules, check that each entry follows the official rules and the rules for the category.

Judges/Judging

- Judges should not know the students. Students may appear in their own entries and we want to avoid any kind of bias. National PTA strongly discourages students disclosing their identities.
- Judges do not disqualify entries, but you may ask them to notify you if they notice an issue that might require disqualification.
- Rules and rubrics are built into the judging system for the judges to see.
- A training video is available online by clicking on the link “Info for Judges”.
- Judges can live anywhere in the world.
- High school students may judge, but need adult supervision.

Communicating with Judges

- Even though everything is online, you need to communicate with your judges. The website doesn't do that for you.
- Email, text, or call them to tell them entries are ready for judging. You can also use built in templates to help you communicate.
- Clearly communicate the judging deadline, which you'll set in the system.
- Monitor to make sure judging is happening, and remind judges one week before and a few days before the deadline.
- Require a reply to communications so you know they were received.

Assign Awards/Advance Entries

- Rank your entries by division, category, and points as scored by your judges. Assign awards based on rankings.
- Award and advance one Awards of Excellence per category/division (if applicable).
- Make sure that every PARTICIPATING division is represented in the entries you forward on to the next level of judging. In each category, award/advance the top scoring entry in each division. You may award/advance up to 3 additional entries per category. See chart.
- Awards of Excellence must be assigned according to the chart, but numbers for Awards of Merit/Honorable Mention/Other Awards are up to you.

Assign Awards/Advance Entries

- Award of Excellence is the top award and moves on to the next level. Only award the amount you are allowed to send on.
- Award of Merit is like 2nd place. These entries do not move on.
- Reflections does not have a minimum score required to advance. Once entries have been qualified by the committee and sent on for judging, they are eligible for awards, regardless of scores. Exceptions to this policy are only appropriate in the rare circumstance where entries fail to show a sincere effort. If you feel you have an entry you think should not advance, please make the decision as a committee, get a second opinion from the specialist at the level above you, or reach out to the state at reflections@utahpta.org

Assign Awards/Advance Entries

- If you have a tie, break it by comparing Interpretation of Theme scores. If there is still a tie, have the entries judged by an additional judge.

- You **MUST** advance the top scoring entry in each category/division, if you have an entry for that category/division. Reflections is a contest where qualified entries compete against the other qualified entries which were submitted, not against a subjective score or standard.

- You must send the top scoring entry in each category/division. You MAY send up to three additional entries per category (Local and Council).

Assign Awards/Advance Entries

- You can select multiple entries to assign awards/advance. When looking at your entries, scroll to the bottom and click, “Update multiple entries.”
- Download an advancement report to double check.
- Download an entries spreadsheet to obtain info, including contact info.
- If you advance an entry by mistake, you can undo the advance if the entry has not been accepted to the next level, or is set to pending at the next level.

Celebrate Participants

- Obtain awards and prepare entries for exhibition, whether in person or online.
- Announce award recipients to the entire school community.
- Host a Reflections celebration event to showcase student work and distribute certificates/awards.
- Check out the Utah PTA Reflections Facebook group for ideas from other specialists.

For my project, I made an animation called Ally to All. It shows a female character representing myself running from a demon trying to attack her. She meets various other people on her journey who are often misused. She invites them to join her, and together, they defeat the demon. I believe that we are all stronger together, and that the most important thing in life is to love and accept everyone, no matter what. I can change the world by being loving to all, and by showing everyone that that is how we should all be.

Who are you? 250 words.
Might take me 250 years instead.

I know my favorite color
and that I don't like tomatoes.
I know I like to wear weird clothes
and that I'm 5'10".

But I don't know what drives me.
Or if I have a passion.
Don't know why sometimes I cry.
Can't describe myself with adjectives.

Maybe it doesn't matter if I can define who I am.
Maybe humans aren't meant to be confined
to 250 word boxes.
Maybe it's enough to just live my life.

I'm a Frankenstein's monster of pieced together parts.
My aunt's laugh, my dad's sayings, my friend's favorite songs.
A quote from my assigned reading book, my most-watched movie.
The sun rising over the mountains in the winter, fireworks on the 4th of July.

17 years of borrowed bits.

That's who I am.

Copyright

What is a Copyright Violation?

The use of copyrighted material, including any copyrighted characters or likeness thereof, is not acceptable in any submission, with the following exceptions:

- Film productions, photography and visual art may include public places, well-known products, trademarks or other copyrighted material, as long as that copyrighted material is incidental to the subject matter of the piece and is a smaller element of the whole.
- Visual arts, photography and film production entries may include portions of existing copyrighted works, such as portions of photos, magazine clippings, internet images and type cut out of a newspaper, as long as those pieces of copyrighted works are used to create a completely new and different work of art. A collage should be judged for its whole—not its parts—and its creativity as an original work of art.
