

PTA Leadership Academy

Utah PTA has invited Nevada PTA leaders to join them for a Leadership Academy in St. George, Utah October 9 and 10 and November 6 and 7. This is a great opportunity for Nevada PTA Leaders to deepen their understanding of PTA and learn new leadership skills.

Leadership Academy equips dedicated volunteers with skills to become effective, successful leaders within PTA and throughout their communities.

This series of four sessions provides participants with proven strategies in *family engagement, advocacy, outreach, communication, and leadership*. It will help you understand why these topics are important as well as how to utilize them in your own PTA and community work. This opportunity is offered at no cost to PTA leaders. Meals are included.

We are seeking leaders who:

- Demonstrate a passion for our vision that every child's potential is a reality.
- Exhibit visionary and forward-thinking leadership qualities.
- Reflect professionalism, integrity, and PTA values
- Believe PTA should be an inclusive association for all.
- Strive to increase family engagement through programs and PTA membership.
- Seek personal development to provide long-term leadership within their community.
