OCTOBER 11-12, 2019
UTAH PTSA STUDENT LEADERSHIP CONFERENCE & CAMPOUT

“Creating Connections that Count”
This conference is designed for PTSA student groups and advisors. From the SHARP Survey of Utah students, it is shown that positive connections with family, school, and the community are the best protective factors for our youth. If your students are concerned about issues like school unity, suicide prevention, depression, vaping, or similar topics, they will learn ways to approach solutions in a positive way.
This year, we are also offering an optional overnight campout for high school groups.

EVENT ADDRESS
Willow Park Campground
9800 West 8570 North, Lehi

Registration forms available at utahpta.org
