- Recommendations can be made to the nominating committee by any member PRIOR to the first meeting of the committee
- Nominees MUST be a PTA member for at least 7 days prior to the meeting where nominees are reported (if they are members of a different PTA, they need to pay dues to this PTA)
- Nominees must give consent to serve 😊
- Nominations can be made from the floor at the general reporting meeting or interested persons can file with the secretary at least 5 days prior to the election meeting

Alternates: An alternate may attend committee meetings only as a replacement. If a member of the committee fails to attend 2 meetings, they are replaced by an alternate.

If a member of the committee is selected for election to an office, that member is replaced by an alternate.

Why?

It is important for all areas of a school to be represented.

It is important to nominate members who see the value of PTA and who will support the mission of the organization.
