

vidsig and **Utah PTA** everychild.onevoice. SPECIAL OFFER

High school students (and parents) can have honest and live, one-to-one 10-minute conversations with vetted undergrads at colleges and universities to help determine whether a school is a perfect fit – before you make your decision.

VIDSIG's College Experience Experts are current undergrads representing 200+ colleges and universities across the US, the UK, Canada and Australia.

All experts are vetted through an extensive process to make sure they are aligned with our integrity-based platform. VISIT VIDSIG.COM AND BOOK YOUR SESSIONS TODAY!

(Sessions are \$25) USE THE PROMO CODE: College4u for your FREE SESSION!

The image displays a screenshot of the vidsig website interface. On the left, a grid of college experts is shown for Brigham Young University (BYU) and Brigham Young University - Hawaii. Each expert's profile includes a photo, name, and sport. A central smartphone graphic shows a live video chat session between a student and an expert. On the right, a detailed profile for Madi Allphin, a BYU student, is featured, including her bio and a 'Live Video Chat' button with a \$25 / 10 min price tag and a 'Request' button.

Madi Allphin
Brigham Young University – BYU

Hey! I just finished up my first year at Brigham Young University, and I absolutely loved it. I'm currently planning on majoring in Communication Studies which I will apply for in the fall. Alongside school, I've had the opportunity to work in a student job for BYU Athletics as ...
