

VIDEO CONTEST CONSENT FORM GUIDELINES

The Consent Form must be completed for every video entry in the Contest. Entries that do not have a Consent Form accurately completed are subject to disqualification from the Contest.

PURPOSE: The purpose of the Consent Form is to ensure that individuals included in video entries and the parents/guardians of minors included in the video entries are aware that their images and/or voices will be used in the entry. It is also to help these individuals understand that the entry may be used by Utah PTA and the schools and may be copied, distributed and/or displayed in a number of locales, both public and private.

IMAGES:

The Consent Form should be used if a recognizable image is included in a video entry. This means any time a person could be recognized from an image, usually involving all of part of the face, then the Consent Form should be used. The form should be used for any person regardless of age.

VOICES

Where a person's voice (child or adult) in the video entry is used, and his or her voice is recognizable, a Consent Form is required.

WHEN A CONSENT FORM IS NOT NEEDED:

Participants should make a reasonable effort to obtain a Consent Form from persons in their entries. However, in some circumstances, it may not be possible to obtain a signed Consent Form.

Examples: If a student is on vacation and takes a photograph of a group of children in Kenya or if a student films part of his or her entry at a local parade and there are people visible in group shots, a Consent Form is not needed.
